In March 2000, he transferred to the Offender Unit, supervising probation youth in the Restorative Justice Program. During that time, he was also responsible for the development and implementation of Kitsap County Youth Court. In July 2002, Saeed was promoted to Non-Offender Unit Supervisor, where he has formed a cohesive unit of dedicated professionals serving the needs of children and families. He will begin his duties as Administrative Services Manager in September 2010. Please take time out of your schedules to congratulate him.

Saeed Saber
Court Services Supervisor

Dear Saeed:

Kitsap County continues to face unparalleled fiscal challenges. Despite significant expenditure reductions in 2009, ongoing declines in revenues require us to make further cuts across the government. As a result of these financial challenges, the Juvenile Department must make further reductions in the 2010 budget year. Cooperation of the employees in this very difficult and challenging recession period has been appreciated.

This letter is to notify you that, as part of the 2010 budget reduction process, the scheduled hours of your Court Services Supervisor position will be decreased from full time (40 hours per week/80 hours per pay period) to part time (38.5 hours per week or 77 hours per pay period) (96.25%) effective January 1, 2010 through December 31, 2010. Under the Personnel Manual, the County reduces/eliminates positions by job classification. All full time positions in your classification will be reduced equally to 96.25% (.9625 FTE). During the 2011 budget process we will evaluate the need for continuation of this reduction beyond December 31, 2010.

The Board of County Commissioners has agreed to implement the reduction in the following manner.

HOURS OF WORK

The business hours of the Juvenile Department will continue to be 8:00 a.m. – 4:30 p.m., Monday through Friday. With supervisor approval and a signed flexible schedule agreement, you may be allowed to flex your hours, not to exceed 40 hours per week.

If you wish to use voluntary furlough or reduced hours beyond December 31, 2010 and beyond the reduction in this notice, please contact Nancy Wilson.

HOLIDAY PAY, LEAVE ACCRUALS, AND LONGEVITY BENEFITS

For the 2010 budget year, holidays will be credited at 8 hours per holiday. Sick leave and annual leave accruals will continue to be calculated at your own full time rate. Longevity will continue to be based on 2080 hours per year.

MEDICAL BENEFITS

For 2010 the Kitsap County contribution toward your medical insurance premiums will continue to be paid at the full-time employment level provided you have elected coverage. If you waived coverage during open enrollment, and will be eligible for the \$100 per month incentive, this incentive will be in effect.

RETIREMENT BENEFITS

Your retirement benefits are subject to the rules and regulations of the Department of Retirement Systems (DRS). Effective July 26, 2009, calculations of the average final compensation for all members will include any compensation lost by the member during the 2009-2011 fiscal biennium as a result of reduced work hours, voluntary leave without pay or temporary furloughs when certified by the employer as an integral part of the employer's expenditure reduction efforts.

Employees who are eligible for retirement under the Washington State Department of Retirement Systems on or before December 31, 2012 and who sign an "Intent to Retire" agreement may voluntarily elect to self-pay insurance premiums (via payroll deduction) equivalent to the cost savings of the 2010 reduction in hours. An agreement form may be obtained by contacting Sue Wohleb, Human Resources Analyst in Personnel. This election must be submitted to Personnel no later than December 28, 2009. The increased deduction will begin in the month following submission of the form. To be eligible for this option, the available cost savings of the increased insurance premium deduction must be equivalent to the cost savings of the 2010 reduction in hours.

If you choose this option, your position's hours will not be reduced at this time and will remain as full time (1.0 FTE); however, the budget for this position will be reduced by the additional amount you will pay for insurance premiums. In this case, you will be scheduled for 40 hours per week, with your work and/or leave schedule to be approved by your supervisor.

UNEMPLOYMENT BENEFITS

To determine your eligibility for unemployment compensation, you must contact the Washington State Employment Security. They can be reached at (800) 362-4636 or you can view information on-line at www.wa.gov/esd.

You will be eligible for recall into a full time Court Services Supervisor position should a position become available in the Juvenile Department within one year in accordance with the provisions of the Personnel Manual.

In closing, I appreciate your work efforts and regret having to take this action. I wish you well in your continuing employment with this department.

Sincerely,

Ned Delmore

Saeed Saber
Court Services Supervisor

Dear Saeed:

As you know decreasing revenues and escalating costs have required us to cut a considerable portion of our 2009 budget. Kitsap County continues to face fiscal challenges as it moves forward in the 2009 budget year. As a result of these financial challenges, the Juvenile Court must make further reductions in the 2009 budget. Cooperation of the employees in this very difficult decision making process has been appreciated.

This letter is to notify you that, as part of the budget reduction process, the scheduled hours of your Court Services Supervisor position will be decreased from full time (80 hours per bi-weekly pay period) to part time (**77 hours per bi-weekly pay period**) effective **May 25, 2009 through December 31, 2009.**

Under provisions of the Personnel Manual, the County reduces/eliminates positions by job classification. All full time positions in your classification will be reduced equally. During the 2010 budget process we will evaluate the need for continuation of this reduction beyond December 31, 2009. This reduction will be implemented in the following manner.

HOURS OF WORK

The business hours of Juvenile Court will remain the same. Your schedule will be assigned by your supervisor. With supervisor approval and a signed flexible schedule agreement, you may be allowed to flex your hours, not to exceed 40 hours per week and not to exceed a total of 77 hours in a bi-weekly pay period.

HOLIDAY PAY, LEAVE ACCRUALS, AND LONGEVITY BENEFITS

For the remainder of 2009, holidays will be credited at 8 hours per holiday, sick leave and annual leave accruals will continue to be calculated at your own full time rate. Longevity will continue to be based on 2080 hours per year.

MEDICAL BENEFITS

For the remainder of 2009, the Kitsap County contribution toward your medical insurance premiums will continue to be paid at the full-time employment level provided you have elected coverage. If you waived coverage during 2009 open enrollment, and are currently eligible for the \$100 per month incentive, this incentive will continue.

RETIREMENT BENEFITS

Your retirement benefits are subject to the rules and regulations of the Department of Retirement Systems (DRS). Since retirement contributions are based on compensated hours, this reduction in hours may impact the calculation of retirement service credits or retirement benefit amounts. Kitsap County Personnel has confirmed with DRS that PSERS eligibility, which requires full-time employment, will not be affected by furloughs occurring in 2009. The Personnel Department has been advised to consult with DRS on a yearly basis.

Employees who are eligible for retirement under the Washington State Department of Retirement Systems on or before May 1, 2012 and who submit an "Election for Voluntary Insurance Contribution" form (including a statement of intent to retire within the next three years) may elect to self-pay insurance premiums equivalent to the cost savings of the 2009 reduction in hours. A commitment statement form may be obtained by contacting Sue Wohleb, Human Resources Analyst in Personnel. This election must be submitted to Personnel as soon as possible.

If you choose this option, your position's hours will not be reduced at this time and will remain as full time (1.0 FTE); however, the budget for this position will be reduced by the additional amount you will pay for insurance premiums. In this case, you will work 40 hours per week, with your schedule to be approved by your supervisor.

UNEMPLOYMENT BENEFITS

To determine your eligibility for unemployment compensation, you must contact the Washington State Employment Security. They can be reached at (800) 362-4636 or you can view information on-line at www.wa.gov/esd.

You will be eligible for recall into a full time Court Services Supervisor position should a position become available in the Juvenile Court within one year in accordance with the provisions of the Personnel Manual.

In closing, I appreciate your work efforts and regret having to take this action. I wish you well in your continuing employment with this department.

It's just oral history.

Leslie, thanks..I saw the section about over 10% needing approval, but couldn't find anything about normal amount of increase to supervisor position. Does that exist or is it just oral history? Nancy

>>> Leslie Miller 06/20/02 10:55AM >>>

You are right on. You can't exceed 10% without approval of the County Administrator. You try to get as close to 5% as you can without going under.

At X07, step 5, Saeed is getting about a 9.1% increase so you are fine. This is under Chapter 7, Section C, #5 in Personnel Manual.

>>> Nancy Wilson 6/20/2002 10:33 AM >>>

Hi Leslie,
just want to make sure of correct step to place Saeed on the X07 scale.

Current rate is X04, step 6 (\$54,537.60)

New X07..step 3 is less than current rate & step 4 is less than 5% raise, so I believe step 5 is the correct new step (\$60,112).

I've checked the personnel manual & it doesn't indicate a required raise when becoming a supervisor (at least, I can't find it), but I recall from compensation committee the goal is a 10% +/- increase when becoming supervisor.

I thought I'd check with you because we've guessed wrong before. Thanks for the help. Nancy, x5407
